12-14 Points = A

You have taken the steps necessary to help ensure your plan is being managed in a manner consistent with the regulations outlined by ERISA — Great Job!

9-11 Points = B

You have completed several steps towards meeting the responsibilities of running a compliant retirement plan. Complete the remaining steps to help ensure plan success.

5-8 Points = C

Understanding what is required and taking steps to meet those obligations is a move in the right direction. You should now implement a policy to meet ERISA's requirements.

0-4 Points = D

There may be serious liability issues in the way your plan is being managed and you should take additional steps now to meet your fiduciary obligations.

There are additional steps you may be able to take to help you meet your responsibilities, including completing one or more of the courses in The 401k Service Solution™ set of tools. These tools are only available through a certified Professional Plan Consultant™ Designee.
